Jr. Lego club is open to any **1st, 2nd or 3rd grader.**

Meets: 6 times, on **every other** Thursday, starting January 16th through Mar. 26th.

Time: **After school until 4:15 pm**

Where: Mrs. Dotterweich's Pre Kindergarten room

Please return the bottom of this letter by January 15th! Please only sign up if you will be able to attend every club meeting. Club size is limited to 10. We will explore some LEGO robotics. Those attending Extended Care, as well as those not picked up on time, will be taken to the church hall for Extended Care after all car riders are picked up.

I am excited and look forward to having a lot of fun building and creating Lego masterpieces! There will be challenges each week. Are you ready to build the tallest structure, the coolest car, or a contraption that does something useful? We might even make a maze for Hexbots! Get ready! Get set! Lego!!

Rules:

1. Participate and Follow Directions
2. Work cooperatively with indoor voices
3. Be respectful of each other.
4. Be responsible and clean up.
