

SJA Extended Care

General Info

Contact Info: sfink@stjoanarc.org
410-982-3171 (cell/text)

Before Care: *Hours: 7:00 am - 8:00 am*

Before Care is currently being held in the 3rd Grade Classroom. Please enter through the Law Street door. The doors remain locked at all times, so please knock to let us know you here. You may also text or call 410-982-3171, so that we can let you in. Before Care is supervised; however, it is unstructured. Students may bring breakfast or morning snacks. Electronics are permitted during this entire time.

Aftercare: *Hours: 3:10 pm - 6:00 pm*

Students are checked into Aftercare at dismissal. Weather permitting, we usually have play/free time outside after roll call. We typically head over to the church hall somewhere between 4:00 pm - 4:15 pm for snack time, which usually lasts until 4:35 pm. Students must bring their own snack. Homework time follows our snack time. During homework time, students who do not have homework to do will have some quiet activity time. We do our best to keep the environment distraction free for those working on their school work. Students are permitted to use electronic devices for homework, if necessary. All other non-school work related use of any electronic device is only permitted AFTER 5:00 pm. This rule is strictly enforced.

Half Days: *Hours: 12:10 pm - 6:00 pm*

Please see the attached calendar for our scheduled half days. Students are checked into Aftercare at dismissal. After all are checked in, we typically have lunch time in the church hall. Students should bring lunch and snack unless instructed otherwise. We often order lunch on these days (pizza, Chick-Fil-A, Pat's, etc.) or students will bring their lunch. If we are ordering that day, sign up and food pre-orders are required. An e-mail will go out to all about a week prior. Sign up is required for these days, so that we can staff accordingly. Drop in rate for half day extended care is \$20. If your student is signed up for either of the monthly aftercare options, there is no extra charge for half day extended care.

All Day: *Hours: 8:00 am - 5:00 pm*

All Day Extended Care is held on professional days when students are scheduled off. These dates are on the attached calendar. We try to plan a full day of activities for these days which may include walking to Festival Park, Harford Lanes, the library, Pat's or Scoops. An e-mail will go out to all about a week prior. Fee for All Day Extended Care is \$35 for all. All Day Extended Care is not included as part of any monthly options.

- Clubs:** Students in Aftercare will be escorted to Aftercare when clubs are over.
- Bowling Club:** We are hoping to be able to walk our Extended Care students who wish to participate in Bowling Club to Harford Lanes and back. We are currently searching for a volunteer to walk with us. This is another opportunity to get your volunteer hours in.
- Snack:** Students should bring a snack with them everyday. While we occasionally may have a treat, we do not provide a daily snack.
- Electronics:** Students may bring their own electronic device. The use of electronic devices for school work is permitted anytime school work is being done. All other electronic use is only permitted after 5:00 pm on regular and half day Aftercare days and after 4:00 pm on All Day Extended Care days.
