

## ST. JOAN OF ARC VOICES

The St. Joan of Arc Voices is a chorus of students (grades 3-8) who sing for the school liturgies, school concerts and other special events.

Rehearsal takes place in the Art/Music Room in the Church Hall on Tuesdays at 3:30 to 4:15, beginning September 18, 2018. We will be learning songs for the Mass as well as secular songs of all genres.

All students are expected to observe the St. Joan of Arc Student Behavior Code during all rehearsals. A chorus is a “team sport” in that everyone works together for the same goal.

Students should be picked up at 4:15 at the church door facing Plater Street. Any students attending Extended Care will remain in the Church Hall after rehearsal ends at 4:15.

If you would like your child to be part of the St. Joan of Arc Voices, please sign the permission slip below and have your child turn it in to their homeroom teacher by Tuesday, September 18.

We'll make a JOYFUL NOISE!!
