Dec 2	Mar 30
	May 4

JOIN THE STEM CLUB!

For all students in grades 1-8

Sign up with Mrs. Tokarski!
ttokarski@stjoanarc.org

Dear Parents,

SJA is excited to announce that we will have an after-school STEM Club this year. It will be run by the Parent STEM Club with Mrs. Tokarski serving as an advisor. Students will have an opportunity to participate in stimulating and challenging STEM activities and explore related careers. Our goal is to have a club that supports your child's awareness of, interest in, and preparation for STEM careers, and that they develop friendships with peers in a supportive and nurturing environment.

The club will be open to all students in Grades 1-8 and will meet the first Monday of each month (with the exception of April- that month's meeting will occur on March 30th) from 3:15-4:30pm. Although it would be more beneficial, members of the club will not need to attend every session. Some month's meetings may require a small fee to cover materials. Prior to the monthly meeting, a permission slip for that specific date containing that month's activity will be distributed. Students planning to attend will need to return the slip prior to the meeting date.

We will have a brief meeting for parents of those who are interested Tuesday, September 23rd at 3:30pm in the science lab.

Please return the form on the next page if your child plans to attend the October meeting.

Mrs. Tracey Tokarski
