

Creative Writing Club

Do you love to write? Are you looking for a time and a place to get your stories, poems, and other masterpieces down on paper? Would you like to publish your work or at least share it with other people?

If so, then the SJA Creative Writing Club is for you! Join us on Monday afternoons from 3:15-4:15 in Mrs. Reuling's room.

Once they submit a signed permission form, students may participate in the club.

Our first meeting is 9/24/18! Bring a journal and a pen or pencil. We will also be using your Chromebooks!

If you have any questions, email Mrs. Barberry at rbarberry@stjoanarc.org.

I approve of my child's participation in Creative Writing Club. I acknowledge that all school rules are in place and that if I do not pick up my child by 4:20, he or she will be sent to after care. I agree to allow his or her work to be published.
